## OVERALL EXPERIENCE

Staying in a camp is to be staying in the luxury of nature. It is a different experience than staying in a hotel or a resort. Here the emphasis is on simplicity and providing basic comforts rather than frills. You will find nature in abundance! Our staff is from nearby villages; they are trained to make you feel at home and take good care of you. Being in the wilderness, there is no television or newspaper. There are no shops or markets nearby, hence do carry all essential items (refreshments, batteries, medicines) you need for your personal use.

## ACCOMMODATION

Choose from

(1) Deluxe Tents (24\*12 ft) with attached toilets/baths.

(2) Standard tents (10\*12 ft). Toilets/baths are located in a separate block. Each tent is allocated a toilet/bath for their personal use only.

Each tent is furnished with 2 single beds and a table. Mattresses and quilts are provided.

All toilets have Western-style WC and you will find the spaces clean & hygienic.

Hot water is available throughout the day fueled by hammams and gas geysers (Our staff will assist you in this).

## DINING

We serve freshly cooked meals from our camp kitchen. All meals are served in the dining area. We have a fixed menu and meals are served buffet style, self-service. There is no room service.

In our endeavour to encourage social distancing, we have planned to have longer meal timings to ensure groups are well spread out during meals.

Our kitchen staff members have been trained well in managing good hygiene practices while preparing your meals.

## MEAL PLAN

We are proud of the excellent cuisine served in camp with emphasis on wholesome, hygienic and delicious meals. Fresh fruits and vegetables are obtained locally.

**BREAKFAST:** Corn flakes/porridge, eggs, stuffed parantha/aaloo puri/poha/south Indian dish, toast/pancakes/french toast, butter, jam, baked beans/french fries, fruits, tea/coffee.

**LUNCH:** Normally vegetarian consisting of Dal/Rajma, two seasonal vegetables, rice (fried/plain), chapati, papad, salad and fresh fruit

**DINNER:** A buffet spread consisting of both vegetarian & non-vegetarian dishes, dal, seasonal vegetables, steamed rice/pulao, chapati, papad, salad and dessert.

**TEA BREAKS:** Tea/coffee with hot snacks/biscuits.

## DRINKING WATER

Drinking water on camp comes from a natural spring and is then filtered by RO. Please carry your own/personal water bottle for the trip; the same can be refilled at camp.

Should you wish to have mineral water, do inform us well in advance and we shall arrange for the same on camp, at an added cost. Or else, bring in your own stock.

## HOUSEKEEPING

Since we are based in the mountains and remote location; water is scarce. Hence there is no laundry facility on camp.

We do not change the bed-sheets every day. One set is kept on arrival for your duration of stay.

You are requested to bring your own towels for the trip.

For any housekeeping requests - cleaning the tent, changing of bed sheets etc, you may inform the camp manager.

## MOBILE PHONES AND INTERNET

Jio, Airtel and BSNL work well on camp.
