## CAMP AQUATERRA

Be prepared for the real camping experience with tents and cot beds in a lovely forested neighbourhood. We call it forest living!

Located on the Devprayag road, 30 kms upstream from Rishikesh (1.5 hr drive from Dehradun Airport or a 5-6 hr drive from Delhi) in the main Upper Ganga valley, it's the best weekend getaway from city boredom and cabin fever, to the great outdoors with friends, family and children.

Our forest camp offers well appointed tents which have comfortable cot beds, a charging point and a table fan. We have common WC units and washing facilities. We also have shower stalls and can accommodate up to 60 persons at camp at any point in time.

## KAYAK CLINICS

Our inflatable kayak trips and the kayak clinics bring you closer to the water, and to the action! Paddle your own craft, under a watchful eye of your instructor, or learn the eskimo roll from one of our top notch guides.

## CORPORATE HOLIDAYS

We are able to tailor special corporate getaways based out of Camp Aquaterra. Several corporate houses use us for their team outings, planned development programs, meetings and presentations, or other adventure programs. Give us your requirements, and we will be happy to offer you suitable customisation.

## SCHOOL PROGRAMS

A unique setting to engage students (9 yrs or older) with the outdoors through a series of activities and help them realise their true potential. We keep the students engaged from 7 in the morning to 7 in the evening and offer activities to challenge both the mind and bodies.

## THE ULTIMATE BHAGIRATHI BLAST

Arguably the best weekend getaway north of the Indian capital. Three days of non stop action, begins with an initiation run down the Ganga, and our guides preparing you for the big plunge down the Bhagirathi.
